Michael Lytle : Alpha Chronicles: Wolf Fangs and Spell Fire before purchasing it in order to gage whether or not it would be worth my time, and all praised Alpha Chronicles: Wolf Fangs and Spell Fire:

0 of 0 people found the following review helpful. AwesomeBy John DoeOne of those werewolf books that sucks you in. Really liked the book warped up the story with no cliffhanger. However it was left with many options from which to branch out. Very good book!0 of 0 people found the following review helpful. Five StarsBy ArielCouldnt put it down once I started it!0 of 0 people found the following review helpful. Five StarsBy Mary Drumrightvery good book!!

Every one loves a good vacation right? Even werewolves. But when Fox tries to enjoy his long overdue vacation his life is turned upside down. A visit from an old friend sends him on a journey to find kidnapped werewolf children. Along the way he will encounter witches, rebel werewolves, Fae, and more. But the biggest surprise comes when he and allies confront the ones responsible...
